## **1. Рекомендации по эксплуатации и уходу**

**1.1.** Мебель рекомендуется эксплуатировать в проветриваемом, сухом помещении с температурой воздуха не ниже +10 С и относительной влажности воздуха от 45 до 70%.

**1.2.** Поверхность мебели следует протирать влажной тряпкой, с последующей протиркой насухо. Запрещается использовать в качестве чистящих средств растворители, соду и средства, содержащие абразивные материалы.

**1.3.** Мебель должна быть защищена от прямого попадания солнечных лучей, не должна размещаться вблизи отопительных приборов.
